## **Peace Officers Research Association of California Proudly Endorses Adam Perez for California Assembly District 50**

*Adam Perez is a combat Veteran, police detective, school board member, and longtime community leader who will bring his strong values of public service to Sacramento*

**Sacramento, CA** — The Peace Officers Research Association of California (PORAC) is pleased to announce our official endorsement of Adam Perez for Assembly District 50 (AD 50) in the 2024 election.

“A longtime PORAC member and dedicated public servant, Adam Perez will bring his unique perspective that draws on years of practical, hands-on experience serving both California and his country to the Assembly,” **said Brian R. Marvel, President of PORAC.** “We are confident that his unwavering commitment to the people of his community makes him the ideal candidate to represent the interests of his district. PORAC proudly endorses Adam for AD 50 and looks forward to supporting him in his bid for the seat.”

Adam grew up in Southern California in a family with a legacy of military service and enlisted in the Army during his senior year of high school. Upon returning to civilian life after five years of service, Adam embarked on his career as a police officer. In addition to his commitment to public safety, Adam’s community leadership includes volunteering to mentor youth who are at-risk or on probation. He holds an associate’s degree in behavioral science, a bachelor’s degree in criminal justice, and a master’s degree in business administration.

“As a peace officer and combat Veteran, I couldn’t be more proud to receive PORAC’s endorsement,” **said Adam Perez, candidate for California AD 50.** “I understand firsthand the challenges and responsibilities of maintaining public safety, and that is exactly the perspective that Sacramento needs right now. I promise to bring that experience with me and to lend some very practical, real-world knowledge to the policy conversation about how we can do better to keep Californians safe.”

### **About the Peace Officers Research Association of California:**

The Peace Officers Research Association of California (PORAC) was incorporated in 1953 as a professional federation of local, state, and federal law enforcement agencies. PORAC represents over 80,000 public safety members and over 955 associations, making it the largest law enforcement organization in California and the largest statewide association in the nation.
