

# POLITICAL ACTION COMMITTEES/PAC MANAGEMENT

## POLITICAL ACTION

The 8-hour block on Political action will look at the value and future of political action and political action committees (PACs) as they pertain to the law enforcement community. Participants will learn the value of establishing a PAC and receive an overview of the current rules governing campaign and PAC expenditures.

## PAC MANAGEMENT

The 8-hour block on PAC Management will begin with a review of the state campaign laws contained in the Political Reform Act of 1974 and the regulations of the Fair Political Practices Commission (FPPC).

### Course Fees:

Member: \$250

Non-member: \$375

### Who should Attend?

PAC members, association board members or anyone involved in the decision to establish a PAC or gain more knowledge about the political environment and process.
