California's Largest Law Enforcement Organization Releases Comprehensive Voter Guide for the 2024 Election

Sacramento, Calif. – The Peace Officers Research Association of California (PORAC), which represents over 80,000 public safety members and over 955 associations, released its **2024 Election Digital Voter Guide**. Designed to help voters across California make informed decisions this election season, this guide gives clear insight into which candidates align with PORAC's mission of improving the safety of our communities.

The user-friendly voter guide allows Californians to quickly find which candidates have received PORAC's endorsement in their local, state, and federal races by simply entering their home address. Every candidate endorsed by PORAC has undergone a thorough evaluation process, which includes completing a comprehensive questionnaire and attending local chapter meetings.

For more information on PORAC's 2024 endorsements or to access the Digital Voter Guide, visit https://porac.org/advocacy/2024-voting-guide/.

###

About the Peace Officers Research Association of California

The Peace Officers Research Association of California (PORAC) was incorporated in 1953 as a professional federation of local, state, and federal law enforcement agencies. PORAC represents over 80,000 public safety members and over 955 associations, making it the largest law enforcement organization in California and the largest statewide association in the nation.
